Race 4 U13 boys + Race 7 U15 Girls may merge if the number of athletes is low.

Please aim to arrive well ahead of start time to register your teams and ensure they have time to familiarise the athletes with the course route and to warm up. Teachers / appointed adult will need to collect tags and record runner's positions on the envelope and then hand the envelope into the appointed official. Full results will be published on the LSAA website after the competition.

Following an incident at a race last year schools are reminded that these events should be recorded on Evolve as either stand-alone events or as part of your extra curricular evolve entry. It should also clearly state if responsibility for supervising athletes has been delegated by the schools to parents or another responsible adult.

**Organiser will not accept an entry form without an emergency contact name and a mobile number for the school which will be answered on a Saturday morning or week day evening.**

**These events are only made possible by colleagues supporting the set up and removal course, plus the supervision and administration on the day. All schools entering are expected to support at least one event a year, if a school is not able to fulfil this expectation unfortunately LSSA will have to decline your entry.**

**All schools must be affiliated to Leeds Schools Sports Association (LSSA) to take part either through the Active Schools SLA or direct affiliation.**

We would like to take this opportunity to wish you all the best of luck with your training and we look forward to seeing you on the day. Please complete the entry form below and return to me, if you have any further enquiries, please do not hesitate to contact me on 07958728870 or c.pyatt@priesthorpe.org.
